 Did **e'er** such love and sorrow meet
Ever near the Christian's side
Ever near Thine aid to lend

Since **God** through Jordan leadeth me
 Since 'tis my **God** that leadeth me
 So a soul that's born of **God**
 So longs my soul, O **God**, for Thee
 So shall my walk be close with **God**
 Still 'tis **God's** hand that leadeth me
 Sweetly sing at the house of **God**
 That looks to Thee, my **God**
 That waits **God's** children there
 The Bible, that volume of **God's**
 inspiration
 The glories of my **God** and King

The **God** of grace will ne'er despise
 The **God** of love appears

 The **God** we worship now
 The heavens declare the glory of **God**
 The heav'ns **God's** glory do declare
 The mighty hand of **God** doth reign
 The rising **God** forsakes the tomb
 The same was in the beginning with
God
 The servants of my **God**
 The Son of **God** in tears
 The trump of **God** shall sound: Rejoice
 The will of **God** be done
 Thee a **God** supremely kind
 Then **God**, the Judge, shall own my
 name
 Then is the time to trust our **God**
 Then, O my great Redeemer, **God**
 Then tell me, gracious **God**, is mine
 Then to make the chorus ring at the
 house of **God**
 There **God** the Son forever reigns

There shall I dwell with **God**
 There shall we join to sing **God's**
 praise
 There was a man sent from **God**,
 whose name was John
 This is the day which **God** hath blest
 Thou art a **God** before whose sight
 Thou art my **God**, my all

 I'm **going** home to die no more
 I'm **going** there no more to roam
 I'm **going** there to meet my Savior
 I'm **going** there to see my Father
 I'm **going** there to see my Mother

 I'm **going** to Jesus, for heaven's my
 home

I'm **going** to Jesus, He's heaven's
 great King

I'm **going** to the Christian's rest
 I'm only **going** over home
 I'm only **going** over Jordan
 Farewell, vain world, I'm **going** home

Among the children of Thy **grace**

Is He a God, and shall His **grace**
Is it **grace**
Is this vile world a friend to **grace**

Let that **grace**, Lord, like a fetter

May His rich **grace** the theme prolong
May the **grace** of Christ our Savior
Nor in the night His **grace** remove
O can I yet be saved by **grace**
O glorious type of heav'nly **grace**
O God, to us may **grace** be giv'n
O Lord, prevent it by Thy **grace**
O may my heart, by **grace** renewed
O refresh us with Thy **grace**
O trust His **grace** — in Canaan's land
Of all who do free **grace** refuse

Of His o'erflowing **grace**

Oh, for converting **grace**, and oh
Oh, to **grace** how great a debtor

Others by Thy **grace** are saved

Our souls each day with **grace** to fill
Redeeming **grace** and dying love
Refreshing show'rs of **grace** divine

Remember the pure word of **grace**
Scorn Thy **grace**, Thy pow'r defy
Seeking **grace**, and filled with fears
So this is the race I'm running through
 grace

Some fresh memorials of His **grace**
Spirit of **grace**, be ever nigh
Such boundless compassion and
 grace

Such is the myst'ry of His **grace**
That One in all His **grace** I need
The blessing of Thy **grace** impart
The channels of Thy **grace** to me
The day of **grace**, and mortals may
The God of **grace** will ne'er despise
The **grace** appeared so great
The men of **grace** have found

I'm going to Jesus, He's heaven's
great King
Among the **great** unfit to shine
And hasten that **great** day
And heav'n shall be your **great** reward

And join that **great** harmonious choir
And sing the **great** Redeemer's praise
And sing thy **great** Redeemer's praise

And when the last trumpet sounded,
the **great** men and nobles, rich
men and poor, bond and free,
gathered themselves together, and
cried to the rocks and mountains to
fall upon them and hide them from
the face of Him that sitteth on the

At the **great** rising day
At thy **great** Sov'reign's feet
Before the **great** I Am
But His **great** love for you I tell
For the **great** day of the Lord is come,
and who shall be able to stand
From tribulation **great** they came
Great Creator, on us, Thy sad
children, with love
Great God, and wilt Thou condescend
Great God, attend, while Zion sings
Great God! is this our certain doom

Great God, let all my tuneful pow'rs

Great God of love, I can but wonder
Great God, the heav'ns' well-ordered
frame
Great God, Thy glories shall employ
Great God, Thy nature hath no bound
Great love and mercy He will show
Great peace and consolation
Great salvation, don't reject it
Great troubles with tumultuous noise
Hail the blest morn, when the **great**
Mediator
His **great** name for to adore

His loving-kindness, O how **great**

green

In pastures **green** He leads me on
In pastures **green** He makes me lie
Stand dressed in living **green**

Sweet fields arrayed in living **green**

The trees of life, the pastures **green**

greet

And **greet** me first in heav'n
Greet our joyful entrance there

grief

A heart with **grief** oppressed
A poor wayfaring man of **grief**
And carried all my **grief**
And sorrow, **grief**, and pain

But drops of **grief** can ne'er repay
For **grief** and lamentation

From **grief** and woe my soul shall fly
Give joy or **grief**, give ease or pain

Here's love and **grief** beyond degree
His crimes, with inward **grief** and
shame
It is the **grief** of love
Let floods of penitential **grief**
My **grief** a burden long has been
No prophet speaks to calm our **grief**
O, 'tis not in **grief** to harm me
O'er hills of guilt and seas of **grief**
Thou Man of **grief**, remember me
When conscious **grief** laments sincere
When overwhelmed with **grief**

griefs
Griefs and hopes my bosom swell

grieve
Never His good Spirit **grieve**
Nor **grieve** that youth is o'er

 Come, **heav'nly** love, inspire my song

 Gird on the **heav'nly** armor
 God my **heav'nly** Father's will
 I hope to join the **heav'nly** host

Lord, shed a beam of **heav'nly** day

Jesus Christ, your Father's Son
Jesus, grant us all a blessing
Jesus, I my cross have taken
Jesus is my friend
Jesus is our great salvation
Jesus is the pilgrim's portion
Jesus, Lover of my soul
Jesus, my all, to heav'n is gone

Jesus, my God, I know His name

Jesus! my Lord, my life, my light
Jesus, on me bestow
Jesus on the throne appears
Jesus, pardon all our folly
Jesus ready stands to save you
Jesus rose, brethren
Jesus shall reign where'er the sun
Jesus sought me when a stranger
Jesus the dead revives again
Jesus, the God whom angels fear

Jesus the Judge shall come
Jesus, the name that calms my fears
Jesus, Thou art all compassion
Jesus, Thou art the sinner's friend
Jesus, Thou Son and heir of heav'n
Jesus, what shall I do to show
Jesus whispers consolation
Let ev'ry soul be **Jesus**' guest
Lord, we ask in **Jesus**' name

With **joy** outstrip the wind
 With tears of **joy** in all your eyes
 Ye saints of ev'ry rank, with **joy**
 Your springs of **joy** are dry

joyful

And shed a **joyful** tear
 Arise, my soul, my **joyful** pow'rs

Awake, my soul, in **joyful** lays

Awake, my soul, to **joyful** lays
 Be **joyful** in your King
 Fear not, brethren — **joyful** stand
 Greet our **joyful** entrance there
 I'll sing and **joyful** be
 In hymns of **joyful** praise

O happy day! O **joyful** hour
 O the **joyful** news is come
 Salvation, O the **joyful** sound
 What **joyful** tidings spread

joyfulness

Burst forth in strains of **joyfulness**

joyless

And with them **joyless** stay

joys

A country I found where true **joys**
 about

All th'estatic **joys** that spring
 And all the **joys** I have
 And let our **joys** be known

And let your **joys** be known
 And makes my **joys** complete
 And withered all her **joys**
 But all their **joys** are one
 But lo, what sudden **joys** we see
 But never knew substantial **joys**
 Far from the sphere of mortal **joys**
 For all my **joys** are gone
 For **joys** that shall never depart
 For present **joys**, for blessings past

 How long my hopes of **joys** above
 In God, the life of all my **joys**
 Inspiring **joys** divine
Joys no stranger heart can tell
Joys that from all time abide
Joys which earth cannot afford
 May speak their **joys** abroad

My God, the spring of all my **joys**

No period then our **joys** shall know
 Now shall my inward **joys** arise
 Oh, the delights, the heav'nly **joys**

Oh, what immortal **joys** I felt
 Pray ye the Lord that my **joys** ye shall
 share

That leads to **joys** on high
 Their **joys** are still increasing
 Thou life of all my **joys**
 Thy holy **joys**, my God, restore
 Thy **joys** when shall I see
 Thy rising waves drown all my **joys**
 To live where **joys** are ever known

When you shall say, My **joys** are gone
 Your **joys** on earth will soon be gone

I'm bound for the **land** of Canaan 87 *Sweet Canaan*
I'm bound for the promised **land** 128 *The Promised Land*
I'm going to a better **land** 454 *The Better Land*
And meet you in the promised **land** 549 *Phillips' Farewell*

I am bound for the promised **land**
I hope we'll meet on Canaan's **land**
I soon shall view the promised **land**
I'll **land** on Canaan's shore
I'll march to Canaan's **land**
I'll see my Savior in that **land**

If she would gain this heav'nly **land**
In a **land** beyond the sky
In earnest for the heav'nly **land**

In that bright **land** to which I go
It touched and glanced on ev'ry **land**
Let ev'ry **land** their tongues employ
Lord, let Thy goodness lead our **land**
My father's gone to view that **land**
My mother's gone to view that **land**
No foot of **land** do I possess
O **land** of rest, for thee I sigh

O trust His grace — in Canaan's **land**
Of the fair **land** of bliss
On the borders of your **land**
Our Father's gone to that bright **land**
Pilgrims in a barren **land**
Safe in the promised **land**
She will **land** us safe on Canaan's
bright shore
Surveying the breadth of Immanuel's
land
The **land** of rest, the saints' delight
The nearer still she draws to **land**
There is a happy **land**
There is a **land** of pure delight

This heav'nly **land** from ours

This **land** is not the **land** for me
Through ev'ry **land**, by ev'ry tongue

To bear my soul to Canaan's **land**

 Those who are cast down **lift** up
 To heav'n I **lift** mine eyes
 To Thee **lift** up mine eye

Ye mourning souls, **lift** up your eyes

lifted

My **lifted** eye, without a tear
 Now shall my soul be **lifted** high

lifts

In vain to heav'n she **lifts** her eyes
 It **lifts** me up to things above

light

A **light** to shine upon the road
 Adieu, ye proud, ye **light** and gay
 All the **light** of sacred story
 And dwell with Him in **light**

And in that **light** of life I'll walk
 And life and **light** convey
 And the **light** shineth in darkness, and
 the darkness comprehendeth it not
 Arrayed in robes of **light**
 Behold, with **light** and comfort
 But was sent to bear witness of that
 light, the true **light** that cometh
 into the world, and the world was
 made by Him

Christ the **light**; yon setting sun
 Floods of everlasting **light**
 He sheds the beams of **light** divine
 Hosanna to the Prince of **Light**
 I am this dark world's **light**
 I cannot live without Thy **light**
 In Him was life; and the life was the
 light of men
 It spreads diviner **light**
 Jesus! my Lord, my life, my **light**
 John was not that **light**

Light and love upon my way
 Many souls who thought they'd **light**
 Rest in future life and **light**
 Scatters mild her silver **light**
 So purer **light** shall mark the road
 The children of the **light**
 The glorious **light** of Jesus was
 flowing in my soul
 The glorious **light** of Zion
 The **light's** from me withdrawn
 Then first humanity triumphant passed
 the crystal ports of **light**, and
 seized eternal youth

There are regions of **light**, there are
 mansions of bliss
 Those spacious fields of brilliant **light**
 Till morning **light** appears

When morning brings the **light**
 When the sun, or the **light**, or the
 moon, or the stars
 Who came to bear witness of that **light**

With all your feeble **light**

 Let cares **like** a wild deluge come

Let that grace, Lord, **like** a fetter

Like a ship upon the sea
Like chariots that attend Thy state
Like David's harp of solemn sound

Like holy oil, to cheer my head
Like one alone I seem to be
Like shadows o'er the plain
Like soldiers in the good old way
Like swelling seas around me spread
Like thoughts of absenting myself for
 a day

I'm only going **over** Jordan
And bids me ne'er give **o'er**

And bids me not give **o'er**
And our fellowship is **o'er**
And roll tremendous **o'er** my head
And then my troubles will be **over**
And triumph **over** death and hell
And triumphed **o'er** the grave

And view the landscape **o'er**

And wove with the branches a roof
o'er my head

As length'ning shadows **o'er** the mead

Away **over** yonder
By waters still, **o'er** troubled sea
Creation's beauties **o'er**
Cry Amen, pray on till the warfare is
over, hallelujah

Death is **o'er**, and life is won
Did Christ **o'er** sinners weep
Dipped and returned it running **o'er**
He makes me triumph **over** death
I know dark clouds will gather **o'er** me
I once could mourn **o'er** dying men
I'd cross **o'er** Jordan's stormy waves

If one sharp blast sweeps **o'er** the field
Like shadows **o'er** the plain
My bowels **o'er** them cease to yearn
My cup is running **o'er**
My troubles will be **o'er**
Nor grieve that youth is **o'er**
Our praying time will soon be **o'er**
O'er all those wide, extended plains
O'er hills of guilt and seas of grief
O'er life's uncertain sea

Over the heav'ns He spreads His cloud

Over the heav'ns He spreads His clouds

Over the hills where spices grow

Over the lifeless clay

Over the rocks and rising grounds

And loud her lovely **sonnet** sings
 Teach me some melodious **sonnet**

sons

Among the **sons** of strife
 Bears all its **sons** away
 Brightest and best of the **sons** of the
 morning
 Hail, ye sighing **sons** of sorrow
 The **sons** of courage shall record

soon

And I know I **soon** will follow

And I **soon** shall sing in eternity
 And **soon** shall get to heaven
 And **soon** shall hear the trumpet
 sound
 And **soon** we'll meet above

And **soon** with you 'twill be too late

Ashamed of Jesus! just as **soon**
 Be ready now, for death may **soon**
 But **soon** He'll break death's anxious
 chain

But **soon** I found 'twas all a dream
 Come on, come on, we'll **soon** be
 there
 For my form will **soon** be lying

Go on, go on, we'll **soon** be there
 He gave thee, and took thee, and
soon will restore thee

How **soon** the vapor flies
 I **soon** shall behold, with increasing
 delight

I **soon** shall exchange you for views
 more sublime
 I **soon** shall mount the upper skies
 I **soon** shall pass the vale of death
 I **soon** shall see — enjoy my happy
 choice

I **soon** shall sing with the angels' band
 I **soon** shall view the promised land
 I'll **soon** be freed from all the pain

If this be death, I **soon** shall be
 In fiery trials thou **soon** shalt see
 In Thy name and Thy strength shall
soon put to flight
 My body must **soon** be removed
 My sorrows **soon** shall end

My span of life will **soon** be gone

Or I too **soon** remove
 Our praying time will **soon** be o'er
 So death will **soon** disrobe us all

So **soon** our transient comforts fly
Soon, ah **soon**, with them to lie
Soon all my mortal pow'rs must fail
Soon as from earth I go
Soon He'll come with bursts of
 thunder

Soon I shall sing the glad new song
Soon I will strike the heav'nly lyre
Soon my spirit, flutt'ring, flying
Soon my troubles will be over
Soon on the wings of love you'll fly
Soon our Savior will return
Soon shall I pass death's gloomy vale
Soon shall our doubts and fears
Soon the great call for me will come
Soon will be one of that number
Soon 'twill set in dismal night
Soon you'll miss me in your berth

That **soon** will quench, will quench this
 mortal flame
 The earth shall **soon** dissolve like
 snow
 The earth will **soon** dissolve like snow
 The grave will **soon** become your bed

The happy day will **soon** appear
 The storm of life will **soon** be o'er
 Time shall **soon** this earth remove

We'll **soon** be called to die
 We **soon** shall hear the angel's voice
 We **soon** shall land on yon blest shore

Brother, rest from sin and **sorrow**
 Buried in **sorrow** and in sin
 Did e'er such love and **sorrow** meet
 Farewell to sin and **sorrow**

From ev'ry pain and **sorrow** free
 From sin and **sorrow** free
 Hail, ye sighing sons of **sorrow**
 Hope wipes the tear from **sorrow's**
 eye
 In heaven alone no **sorrow's** found
 Let storms of **sorrow** fall

Neither trouble nor **sorrow**
 No more as an exile in **sorrow** to pine
 Resigned when storms of **sorrow** low'r

Sickness and **sorrow**, pain and death
Sorrow and love flow mingled down
 That bids my **sorrow** cease
 The rivers of **sorrow** shall not overflow
 What wraps the land in **sorrow's**
 shade
 When from sin and **sorrow** free
 Where freed from trouble, **sorrow**, sin,
 and pain
 Where sin and **sorrow** are no more
 Where there's no trouble or **sorrow**

While in this land of **sorrow** I remain
 While in this vale of **sorrow**

sorrowed
 Long hast thou wept and **sorrowed**

sorrows
 All our **sorrows** left below
 And our **sorrows** have an end
 And **sorrows** often take my song
 I've many sore temptations and

 wounds
 My **sorrows** soon shall end

Still walking downward to the tomb

Still would my spirit rest on Thee
 The labor of the world is **still**
 The nearer **still** she draws to land
 Their joys are **still** increasing
 Their mem'ries linger **still** with me
 Thy praise shall be my bus'ness **still**
 Thy ways abound with blessings **still**
 Thy weary children need Thee **still**
 To **still** my unbelieving fear
 We **still** are one in heart
 While the tempest **still** is high
 Whom **still** I hold, but cannot see
 Whose hope, **still** hov'ring round Thy word
 Yet **still** he pleads and mourns

Afflictions, **though** they seem severe
 And there may I, **though** vile as he
 And **though** my body turns to dust
 But **though** I have Him oft forgot
 But **though** the world may think it
 strange
 Come to Him believing, **though** bad
 your condition
 I'll go to Jesus, **though** my sin
 My crimes, **though** great, cannot
 surpass
 My parents, **though** dear, are safe
 landed in glory
 Our conflicts here, **though** great they
 be
 The soul, **though** all hell should
 endeavor to shake
Though by begging used to live
Though dead, they speak in reason's
 ear
Though earth and hell my way oppose

Though earthly comforts die
Though faithfulness should ev'n
 reprove
Though I've no price at all to tender

 419 *Melancholy Day*
 Grace! **'tis** a charming sound 31t *Ninety-Third Psalm*
 Grace, **'tis** a most delightful theme 432 *Cheves*

How pleasant **'tis** to see
 If aught is felt, **'tis** only pain
 If Thou depart, **'tis** hell
 O, **'tis** not in grief to harm me
 Since **'tis** my God that leadeth me
 Still **'tis** God's hand that leadeth me
 Still **'tis** His hand that leadeth me
 Sweet Canaan, **'tis** my happy home
 Then shouting and praising, they cry,
 "'**Tis** amazing
 Time! what an empty vapor **'tis**
'Tis all but vanity
'Tis all that I can do
'Tis but the voice that Jesus sends
'Tis by Thy strength the mountains
 stand
'Tis done! the precious ransom's paid
'Tis finished," the Redeemer said
'Tis found beneath the mercy seat
'Tis grace divine, all-conqu'ring, free
'Tis grace has brought me safe thus
 far
'Tis grace that rescues guilty man
'Tis He, by His almighty grace
'Tis heav'n in thine embrace
'Tis heav'n to rest in Thine embrace
'Tis, I know His voice so well
'Tis life and health and peace
'Tis life everlasting, **'tis** heaven below
'Tis manna to the hungry soul
'Tis midnight with my soul till He
'Tis music in the sinner's ears
'Tis my desire with God to walk
'Tis not the whole of life to live
'Tis on Thy sov'reign grace alone
'Tis only through our Lord's command
'Tis paradise when Thou art here
'Tis pleasure to our ears
'Tis sweeter ev'ry day
'Tis the old ship of Zion, hallelujah
'Tis the old ship of Zion, hallelu,
 hallelu
'Tis the Spirit's rising beam
'Tis then I after glory run

Ye heedless ones that wildly stroll
Ye heedless ones who wildly stroll
Ye humble souls, complain no more
Ye living men, come view the ground

Ye mortal pow'rs, decay

Ye mountains and valleys, groves,
 rivers and plains

Ye mourning souls, lift up your eyes
Ye need not one be left behind
Ye objects of sense and enjoyments of

Ye restless wand'ers after rest
Ye saints approach! the anguish view
Ye saints of ev'ry rank, with joy
Ye souls who are bound unto Canaan
Ye starry lights, **ye** twinkling flames
